The Light-Weighted Filly Wins the First Race from Blue Garter.

HIS GRACE GETS THE SECOND.

Very Little of the Races Can Be Seen, Owing to the Fog at Brighton.

(Special to The Evening World.)
RACE TRACK, BRIGHTON BEACH, July 17.—When the crowd arrived at the track today a thick mist was rolling in from the ocean. Many caustic comments were made by the spectators as they placed down their bets. It is hard enough to guess when the weather is clear, but when the fog shuts the horses from view, bettors are kept on the anxious seat until they appear again. Nevertheless, the crowd kept the bookies busy the race, and when the result of the first race was known, it was agreed that it had been run pretty true to form. Judge A. S. Post and John Hanning acted as patrol judges.

Mary S. was favorite, and she won from Blue Garter, who was quoted at a long price. His Sheephead form was evidently overlooked. Contests were a close thing.

The second race was also run in the fog. His Grace proved the winner, which was a most remarkable happening. The only way his victory can be explained, is that the fog puzzled him so that he forgot all about sulking and went on top speed through the race. He won easily from Half Mine, the second choice. Jersey Belle, the hot favorite, was third. The latter carried Michael Dwyer's money, and, as usual, Dwyer's horse won.

BATTLE WITH STRIKERS.

Deputies Fire into an Armed Crowd Near Dunbar, Pa.

(By Associated Press.)
UNIONTOWN, Pa., July 17.—A battle between deputies and strikers occurred last night at the Morrell works, of the Carnegie Iron Company, near Dunbar, Pa. In which one striker, named Santos, was fatally wounded and several others seriously injured.

The strikers had been hunting, and came home about 8 P. M. They lived at the Morrell plant and occupied company houses, inside the guard line.

When they attempted to go to their homes the deputies told them to stop. The men stepped, and after a consultation went away. In about half an hour they returned with several guns and a stick-knife and proceeded to cross the line, when the deputies fired into them.

This brought a volley from the strikers. In the engagement about twenty shots were exchanged. None of the deputies was hurt.

Morrell plant was started only a few days ago and is employing a large number of negroes.

Newark Hatmakers Forced to Quit.

(Special to The Evening World.)
NEWARK, N. J., July 17.—The walking delegation of the Hatmakers' Union went to the Newark plant of the American Hat Co. today and forced the men to quit. The men had been working for the company for several years and had been paid for their work. The company had been paying them for their work, but the union had been demanding that they be paid for their work. The company had been paying them for their work, but the union had been demanding that they be paid for their work.

Warm Welcome Home to the Conquering Giants.

Expected to Give Three Welcomes to the Senators.

Russ and Farrell Our Battery in To-Day's Game.

(Special to The Evening World.)
POLA GROUNDS, NEW YORK, July 17.—Like a solid wall of footballs, the conquering Giants marched from the clubhouse into the field this afternoon to the martial strains of Sousa's "High School Cadet" by the Catholic Protective band. Every man in the alignment of white-bellied and black-skinned "Poles" held his head proudly in the air, as he stalked along with the demeanor of a victor.

The crowd, while not as large as it would have been had Baltimore or Boston been the foes this afternoon, was a cheerful and enthusiastic one, and the New York boys were rapturously applauded and made to feel that they were indeed welcome home.

There were perhaps 5,000 persons present when play was called. The Washingtons were touted as a real good thing for the Giants. This is the way the teams battled and played:
